___ Team Parent – see description below (specify team here _____)

Team Parent job description:

Shall assist with team communication to help the coach so they can focus on coaching, scheduling the concession stand so it is staffed by their team parents for their games and ensuring families fulfill their volunteer obligation of 8 credits/hours. Essential Duties and Responsibilities include communication for the sport (Parent Meeting established with the head coach, contact list distributed for each player on the team (provided by the FCYSO), provide roster cards with jersey numbers, email communication with the parents, communicate events, rainouts, fundraising efforts and schedule volunteer spots with each parent for all home games and work with Director of Concessions to ensure all parents on your team have fulfilled their volunteer obligation to the league.

___ Coaching – see description below (specify team here _____)

Head Coach _____

Assistant Coach _____

Coaching job description:

Coaches will be recruited, trained and selected by the Director of Baseball. Selection of coaches will be based on past experience within the league, past experience outside the league, understanding of fundamentals, teaching abilities, ability to model good sportsmanship and uphold the purposes of the Organization, communication skills (patience & temperament), ability to apply the time necessary. The Director of Baseball will provide coaches at each age a list of minimum expectations for skill development for the season. This will assure that there is a purpose to each level of play and a progression of skills for each age. In addition, drills and practice strategies will be provided to coaches through our coaching clinics to help them develop the skills targeted.
